

WELCOME TO SAXON!

Insurance Solutions Through Innovation, Technology and Service Excellence

Saxon Insurance Solutions has the answer to your insurance needs, big or small. As a licensed insurance broker, Saxon Insurance Solutions can help you access the products of several insurance companies to bring you the product you require at an affordable price. Unlike a traditional broker, however, Saxon Insurance Solutions primarily acts as an agent for insurers which makes the process faster and more convenient.

For motor insurance, there is Saxon Motor and General Insurance Company Ltd, a sister company of Saxon Insurance Solutions. Saxon MG is the only company in the Cayman Islands where you can buy your motor insurance online. And with our flexi policy, it is the only company where you can get exactly the coverage you want.

Do you need insurance for your personal belongings in case of fire or a hurricane? Saxon MG has a property contents policy that will protect you against the loss of items you own, such as furniture, personal electronics, and clothing. Business owners may also be interested in Saxon MG's general liability, employers' liability, and workers' compensation products.

Both Saxon Insurance Solutions and Saxon MG are licensed and regulated by the Cayman Islands Monetary Authority. A key business partner of Saxon MG is Everest Re Group Ltd., a global leader in reinsurance with an AM Best financial strength rating of A+.

If you own a home, Saxon Insurance Solutions can help you protect your investment with a policy from Lloyd's of London. Lloyd's is one of the most renowned insurance organizations in the world and, like Saxon MG, it is licensed and regulated by the Cayman Islands Monetary Authority. As a coverholder, Saxon Insurance Solutions has the authority to issue policies on behalf of Lloyd's making the process much simpler and efficient. If the Lloyd's product is not to your liking, then Saxon Insurance Solutions has relationships with other insurance carriers to provide you with more options.

Travelling? The Saxon MG Travel Insurance Plan, arranged through our US partner, Seven Corners, can provide the protection you need when you are outside the Cayman Islands.
